OUR AIM

“To produce and maintain a green travel plan to complement and support our commitment to minimising our impact on the environment incorporating all forms of transport.”

OUR MAIN OBJECTIVES

- 1** Increase customers and employees' overall awareness of the sustainable transport to and from arc Shopping Centre
- 2** Work closely with local transport providers to develop current forms of sustainable transport
- 3** Decrease visitor and employee depending on single occupancy car trips
- 4** Continue to develop our networks to encourage more people to walk and cycle to our shopping centre.
